CAPABILITY STATEMENT

Jason Michaels Strategic Solutions LLC (JMSS) is a veteran-led small business providing mission-focused logistics, asset management, program support, and workforce training solutions across federal agencies. Leveraging 25+ years of combined military, defense contracting, and federal logistics experience, JMSS delivers high accuracy, high reliability support services aligned to DoD, DOJ, DHS, and state-level mission requirements.

CORE COMPETENCIES

- Logistics & Supply Chain Management
- Inventory Management & Property Accountability
- Warehouse Operations & Distribution Support
- Program & Administrative Support Services
- Training & Workforce Development (Logistics & Asset Management)
- Data Integrity, Audit Readiness & Compliance Support
- Materials Handling, Receipt, Issue, Packaging & Shipment
- Work Instruction Development & Process Optimization

DIFFERENTIATORS

- 25+ years of military, federal, and defense contracting experience
- Deep expertise in property accountability and audit readiness across multiple systems (WMS/ERP platforms)
- Proven background supporting high visibility federal missions (Army, DOJ, FBI, DoD contractors)
- Strong compliance orientation: FAR/DFARS, asset tracking, inventory accuracy, quality assurance
- Veteran-led company with mission-first discipline and operational reliability
- Ability to rapidly scale support services to meet agency surge demands

NAICS CODES

541614 – Process, Physical Distribution & Logistics Consulting
541611 – Administrative & Management Support Services
493110 – General Warehousing & Storage
561110 – Office Administrative Support Services
561210 – Facilities Support Services
561320 – Temporary Help & Staffing Support
561499 – Other Support Services

PAST PERFORMANCE (Representative Experience)

- Supported federal logistics operations including asset tracking, material management, inventory audits, and supply chain oversight across multiple DoD and DOJ contract environments.
- Led warehouse operations, inventory control, and logistics modernization efforts supporting multi-million dollar federal supply chains.
- Delivered administrative and program support to mission-critical federal units, including law enforcement and

national security operations.

- 72-hour/week overseas logistics support (Kuwait): distribution, materiel readiness, supply chain ops, property accountability, and movement control.
